## **About Future Icons**

Future Icons represents a select collection of design and craft led businesses that produce the finest home accessories, furniture, jewellery, fashion accessories, artwork and objet d'art internationally.

Launched in May 2017, Future Icons director, Louisa Pacifico created this bespoke agency to support selected brands by introducing them to commercial and profile-raising opportunities. She recognises, that clients of Future Icons can struggle with the balance of maintaining every aspect of their business by themselves, therefore supports them to allow them to do what they do best; create.

## **Collections on [futureicons.co.uk](http://futureicons.co.uk)**

The showcased collections are a snapshot of the clients full product range. Future Icons is happy to arrange studio visits and meetings for you to meet the designer and discover further ranges. All of our clients welcome custom commissions on top of their standard collections.
